

Køsseler

A long-exposure photograph of the London skyline at dusk. The River Thames flows through the center, reflecting the city lights. The Shard stands prominently on the right, illuminated against a cloudy sky. Other buildings and bridges are visible along the riverbanks, with their lights creating a bokeh effect in the water. The overall mood is serene and urban.

Kessler is a British luxury brand, renowned for excellence. With state of the art technology, bespoke design and near-limitless possibilities for our clients, we have a burning desire to break free from the ordinary. Our clients are not like everybody else. We are not like everybody else.

We care about the user of the kitchen. The client who's going to enjoy it, spend time in it and live in it the most. That's why we partner not with interior designers, but with professional chefs. Our brand ambassador is Laurence Henry, winner of Masterchef: The Professionals, who helps guide us on ideal kitchen layouts and appliance combinations for the best culinary experience for our clients.

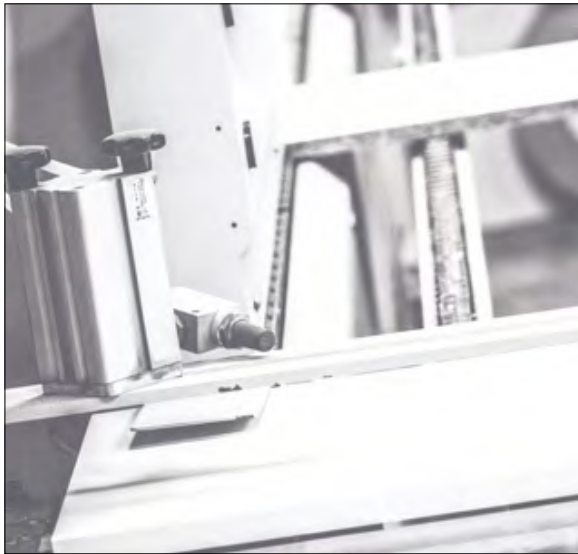

Owning a Kessler kitchen is a source of pleasure for the whole family. Timeless and unrivalled quality, paired with exceptional design and innovative engineering, is a recipe that's guaranteed to delight.

Alongside technological advances, social and cultural changes have increased the expectations of kitchens today. Over the years, the home has become more of an open, practical space which has called for many home owners to increase the size and functional use of the kitchen.

Kitchens today are most often integrated into a dining and living space and not considered as a separate room used solely for the storage, preparation and cooking of food. This revolution in the home provoked the requisite for luxury kitchen design and manufacture.

As award-winning specialists in the art of kitchen design, Kessler will create a striking luxury kitchen for your home. From contemporary design to an original classic, each kitchen will boast the use of the highest quality materials – from sumptuous natural, stained or painted solid woods, through to veneers and striking silk matte and gloss lacquers.

NOBODY BUILDS A KITCHEN LIKE WE DO

As specialists in the art of kitchen innovation, we understand what it takes to design, manufacture and hand build a luxury kitchen that will stand the test of time.

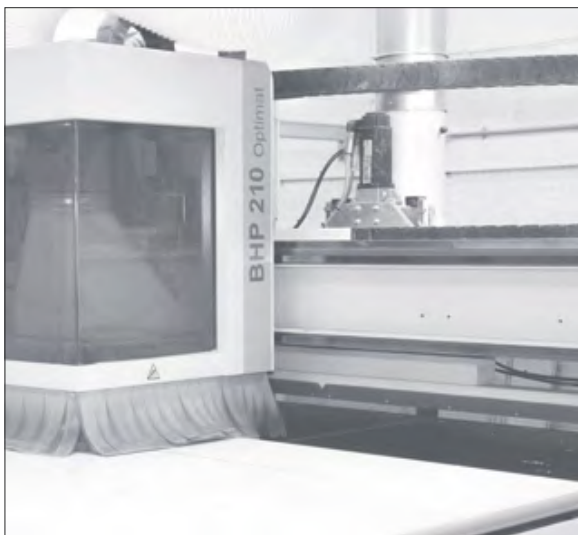

Our patented cabinet joint system, unique to Kessler kitchens, demonstrates our passion for perfection and innovative engineering. We call it Fortis, representing the strength of our kitchen cabinetry. Our Fortis joint supports every Kessler kitchen and offers unrivalled strength and rigidity. It's one of the reasons we offer a lifetime guarantee on all our kitchens.

The quality and intensity of our hand-finished kitchens, built using state of the art equipment and modern production methods, ensures that your timeless masterpiece will leave the workshop ready to be loved and enjoyed over many years, showcasing the best of British engineering and craftsmanship. You will not find a kitchen built to this standard, at this quality level, anywhere else in the world.

Innovation underpins our approach to kitchen design and manufacture. It is at the forefront of our business planning and range development, enabling us to respond to advances in the market with high performance and efficiency.

When sourcing materials, introducing cutting edge finishes and crafting innovative designs, we consistently exert meticulous research and development in-house at our Nottingham based headquarters, which gives us confidence when delivering superior performance year after year.

We are committed to sustainability, minimising our environmental footprint wherever we can, from our ethically-minded supply chain through to our own production facility.

QUALITY BRITISH CRAFTSMANSHIP

Excellence is always a virtue worth pursuing.

When sourcing materials, introducing cutting edge finishes and crafting innovative designs, we consistently exert meticulous research and development, which gives us confidence when delivering quality performance year after year.

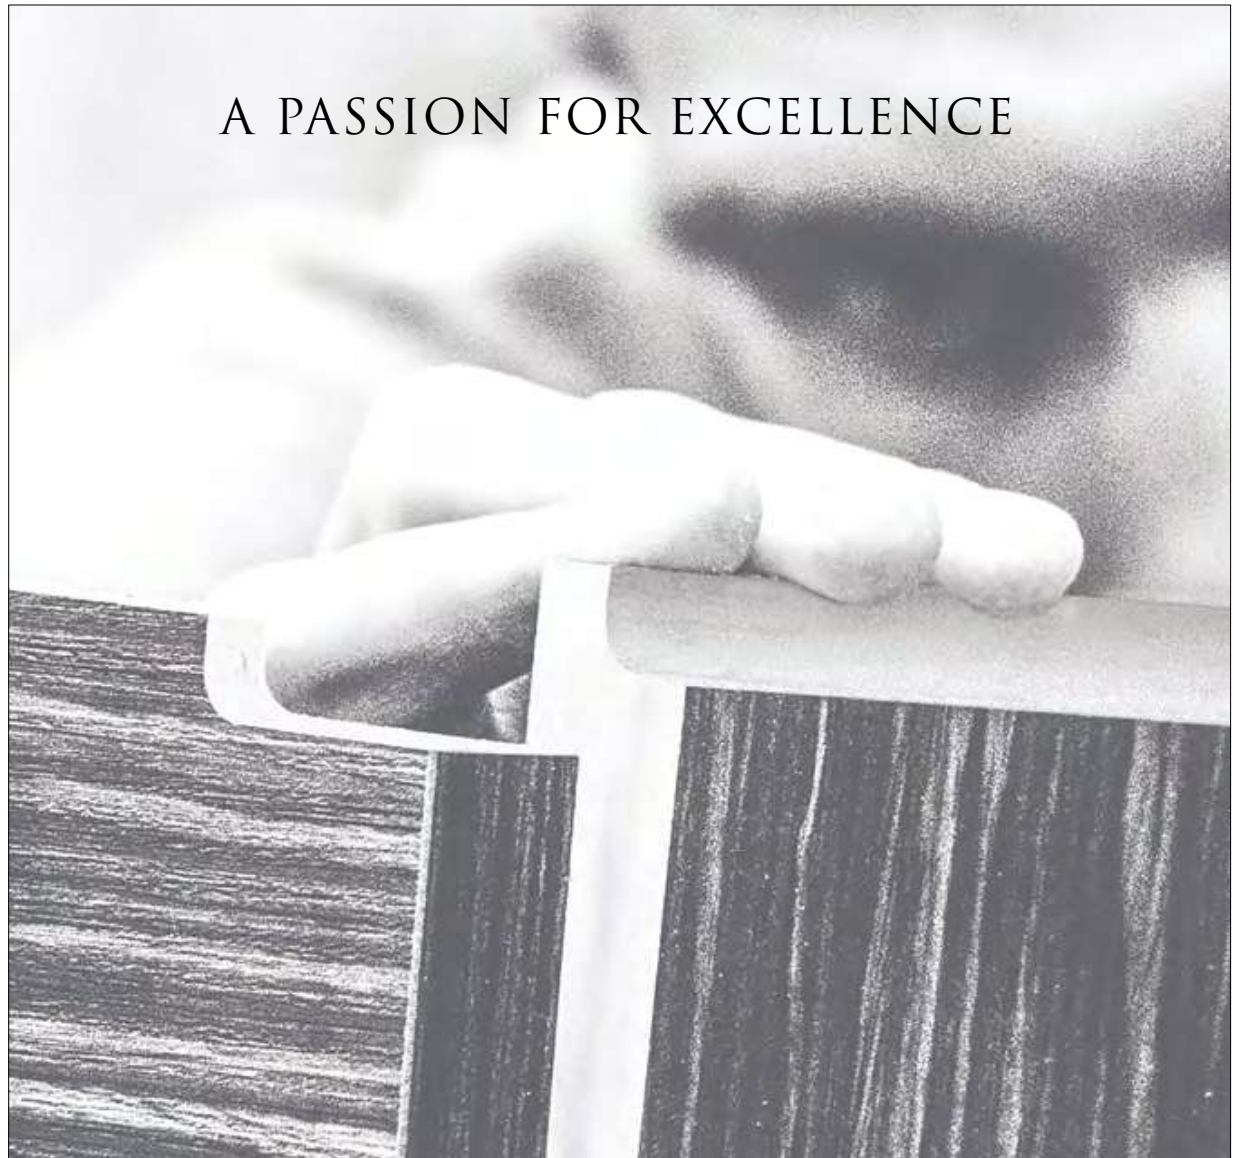

There is a notably significant difference between carefully crafted, detailed kitchens and mass produced kitchens, which is why at Kessler we never sacrifice on true craftsmanship.

Our state of the art headquarters and manufacturing facility based on the edge of Sherwood Forest in Nottinghamshire employs a highly skilled team of craftsmen dedicated to producing the very finest kitchens in the United Kingdom.

At Kessler we are continually refining skills, sourcing quality materials and introducing advanced technologies in order to offer our customers the best kitchens in the world.

From the design blueprint through to our skilled manufacturing and build and all important finishing touches, we guarantee meticulous quality craftsmanship at every stage.

A PASSION FOR EXCELLENCE

AN INDIVIDUAL KESSELER MASTERPIECE THAT REFLECTS YOU

DESIGN

When at home, we spend considerable amounts of time in our kitchens. Regularly recognised as the heart of the home, the multi-functional nature of the kitchen space in modern society has revolutionised kitchen design. No longer considered a room used solely for food preparation, the kitchen space has expanded into the perfect stage for entertaining, working and dining and the design of your new kitchen can incorporate your requirements, taking into account the individual needs of your household.

Kessler accredited designers understand the difference between good design and great design. With the assistance of your designer, Kessler's innovative features will enable you to tailor your vision to form the perfect functional space to suit your lifestyle. The result will be a striking, custom built masterpiece that will exceed your expectations.

The innovative design features and choice of colour and finishes throughout the Kessler kitchen ranges will complement your individual personality and style, creating a space of solace within your home.

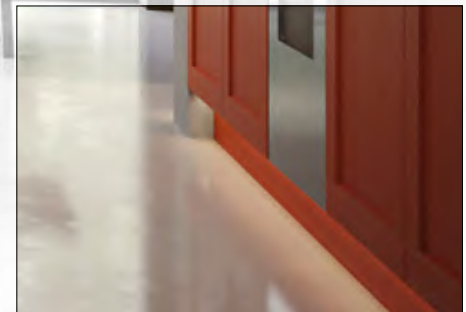

MAKING IT PERSONAL

Kessler kitchens are available in a variety of material and colour finishes to enable you to style your kitchen in order to create a room of distinction that complements your individual taste and enhance the character within your home.

With a range of over 150 décors and over a million possible combinations, you can let your personality be reflected in your new kitchen. Break from the norm and create the kitchen of your dreams. Because you're not like everybody else.

VANQUISH 150

Our award-winning and well established handleless kitchen profile with a 150mm plinth which, particularly when combined with LED lighting, gives the impression that the kitchen units are floating. A stunning contemporary look.

VANQUISH 100

For those seeking an even more streamlined profile, Vanquish is also available with a smaller 100mm plinth offering a lower profile for a sleek and alluring aesthetic. The sense of a floating kitchen is enhanced further with this 100mm plinth and the LED lightning more pronounced.

VANQUISH
HANDLELESS

TWO FORMS, SINGULAR ELEGANCE

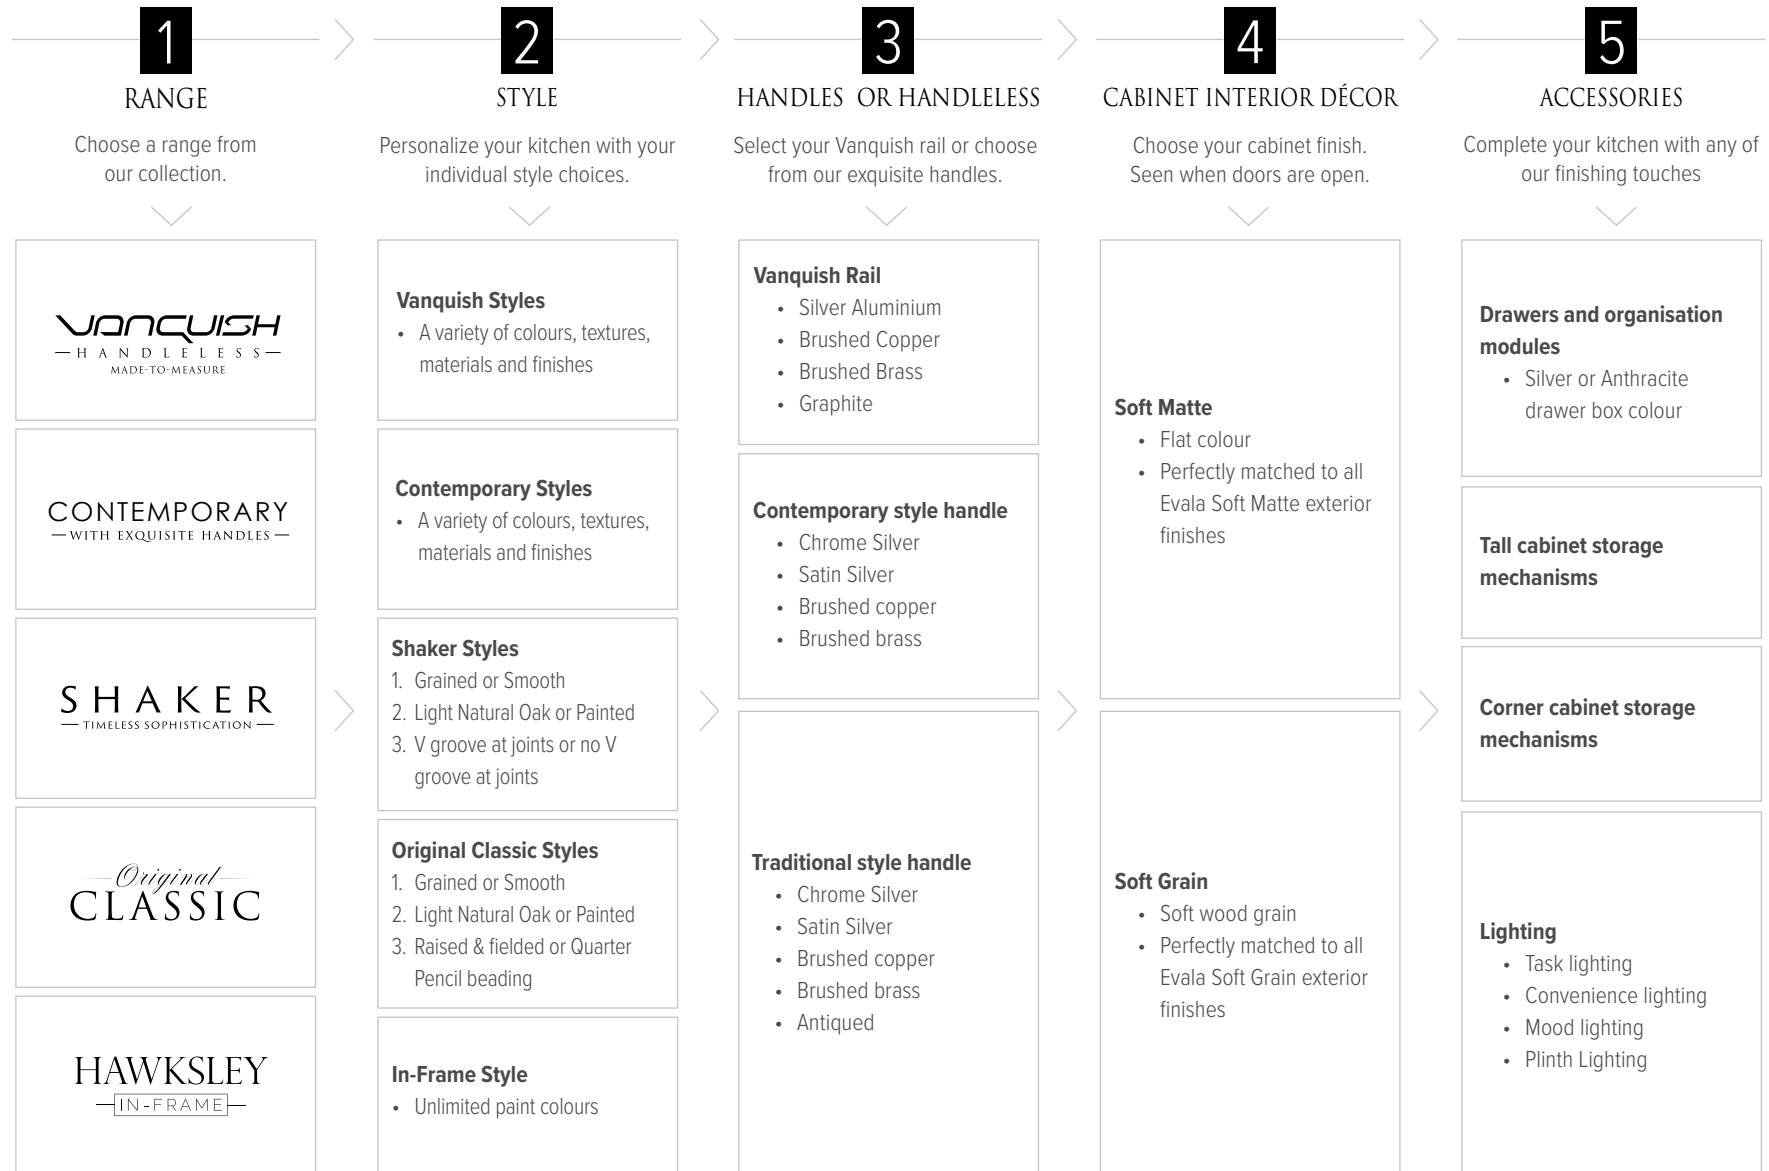

POCKET DOORS AND SLIDING DOORS

Kitchens today are spaces used for a diverse range of activities; from food preparation and cooking to working, relaxing, entertaining and dining. The transition between these contrasting functions needs to be smooth, calling for flexible kitchen furniture that does not compromise functionality or aesthetics. As a result, we have sculpted our kitchen designs with the flexibility to create a dual-purpose space in mind.

Technologically advanced pocket doors and sliding cabinet systems give credence to this design concept, where two styles of furniture blend seamlessly into one. They are an effective and visually pleasing way of separating functional zones and relaxing spaces. Whether you intend to hide an entire working space or a specific component, your kitchen will adapt to suit your requirements. Form resides over function when the kitchen is not in use, then by opening the pocket doors the function can easily be brought to the forefront to give admission to the operational cabinets behind.

CAREFULLY CURATING YOUR DREAM KITCHEN DESIGNED WITH YOU, FOR YOU.

“BEST LUXURY KITCHEN” AWARD WINNER

House Beautiful Awards

VANQUISH

Black & brass... two contrasting colours that pair beautifully in this ultra-contemporary true handleless Vanquish kitchen. The smooth perfect matt finish on the doors and the brushed metal of the handleless rails are exceptionally distinctive for a kitchen that pushes boundaries.

VANQUISH WITH BRASS RAIL

VANQUISH
HANDLELESS

VANQUISH

A stunning example of our floating worktop effect thanks to the gorgeous brushed copper rail, adding a lightly industrial feel that's always popular amongst modern kitchen clients. An exquisite piece of design that's a delight to behold.

VANQUISH WITH COPPER RAIL AND SHAKER FEATURE CABINETS

VANQUISH
HANDLELESS

VANQUISH

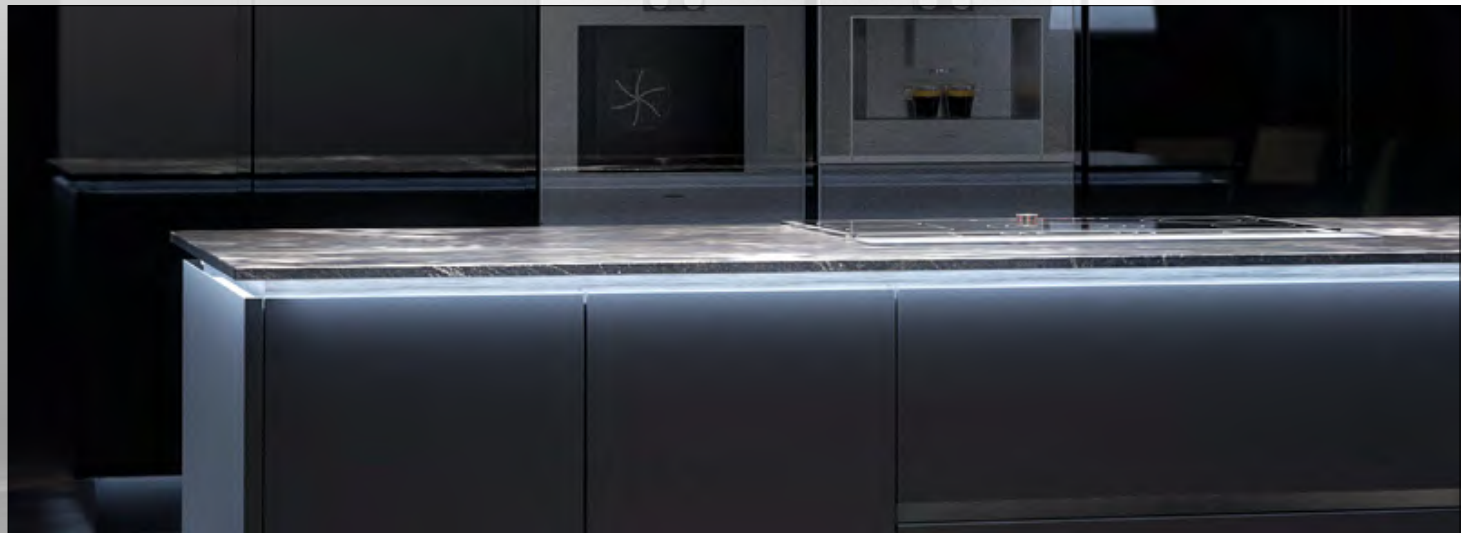

Combining textured décors to produce a stunning modern kitchen. Pictured here is our Vanquish kitchen in Light Concrete, paired with Lincon Walnut for the open wine rack.

VANQUISH

To see beauty is to see light. A modern handleless kitchen is accentuated with gorgeous lighting. In either cold or warm hues, task & convenience lighting can elevate a kitchen space and transform the look of the room.

SHAKER

— TIMELESS SOPHISTICATION —

THE SPIRIT OF THE SHAKERS, THE CRAFTSMANSHIP OF KESSELER

The Shakers can be dated back to the 18th century, where they followed a basic way of life with simple architecture and furniture, including square framed doors with an inset panel. Their way of life is a notable design movement, and a Shaker kitchen is a traditional, very British favourite.

Our Shaker kitchens feature functional form and thoughtful proportion, with recessed panels and minimal adornments. They are available with smooth finish or visible grain, with a range of frame thicknesses.

For the pinnacle of personalisation, our painted kitchens allow you to choose from any colour you desire.

LOWDHAM..... 31

A smooth Shaker kitchen that combines a traditional charm with modern style.

BALMORAL.....33

A classic grained effect Shaker design with a delicate internally bevelled frame.

HUNTLEY 🌲.....35

A solid timber frame with a veneered centre panel and a hand finish, offering a pronounced grained effect when painted, with V groove at timber joints

CHALGROVE 🌲.....37

A solid timber frame and veneered centre panel with a refined quarter pencil bead around the inside panelling. Hand finished with a beautifully smooth silk matte finish in any paint colour

ALDBURY 🌲.....39

Elegant grained timber, with no V grooves at joint and an exquisite narrow framed Shaker design that is a true Kesseler classic

CHARLBURY 🌲 41

A solid timber frame and veneered centre panel with a refined quarter pencil bead around the inside panelling. Hand finished with a pronounced grain in any paint colour

HAMPTON 🌲43

A unique Shaker design available in any painted colour with a beautiful silk smooth finish, with no V grooves at joint

🌲 Can be painted in any colour

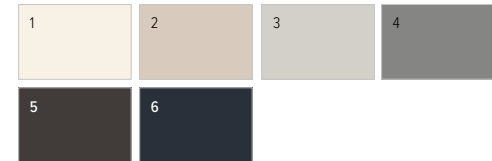

LOWDHAM

Thanks to a slim frame and v-groove detailing, our Lowdham door offers a unique design that can easily be adapted to a traditional or modern aesthetic. A smooth finish means that Lowdham can be paired beautifully with oak or stone worktops. A wonderful contrasting effect can be found by combining the light with the darker colours from it's palette.

PRIMARY COLOURS

1. Porcelain
2. Cashmere
3. Light Grey
4. Dust Grey
5. Graphite
6. Indigo Blue

Door Specification

1. 19mm thickness
2. 5 Piece, Laminated foil
3. Stile and Rail Width 68mm
4. Smooth

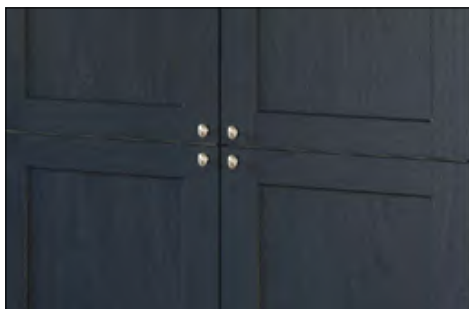

LOWDHAM SHOWN IN INDIGO BLUE AND PORCELAIN WITH KONIGQUARTZ LAUSANNE WORKTOP

SHAKER
— TIMELESS SOPHISTICATION —

BALMORAL

Balmoral has a more delicate, internally bevelled frame to extend the design foundation of the shaker kitchen. The character comes from a different direction than what would ordinarily be seen as the classic Shaker. A timeless appearance, Balmoral will endure in many room spaces with a personality as unique as the design.

BASE CORNER STORAGE, LARDER STORAGE AND WASTE SYSTEMS

Maximise the accessibility and capacity of your cupboards with innovative storage systems

LE MANS

MAGIC CORNER

Our magic corner systems are standard with glass fronts

PULL OUT LARDER UNITS

Our larder pullout systems are standard with glass design features

WASTE SYSTEMS

Our waste bins are soft-close as standard

EXTRA DEEP DRAWERS

650mm deep drawers are specially designed to contain the largest and heaviest of fine cooking equipment such as large casserole dishes and pans, without having to place them at an angle which reduces the storage space within the drawer.

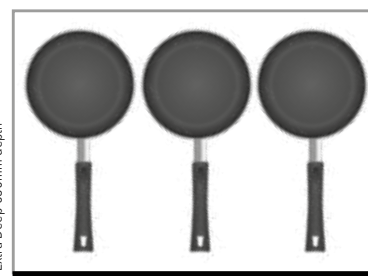

60kg drawer runners as standard with 650mm deep drawers ensure all cooking equipment can be stored.

Silver coloured 650mm deep drawer shown in Aldbury, painted in a bespoke grey colour, with Glass Design Elements and chrome cup handles.

Standard 500mm depth

LIGHTING

Our exceptional integrated lighting will reflect and bring out the finer details of a hand built Kessler kitchen, those of which you can't find in any other kitchen around the world

Wall unit strip lights

Motion sensing tall lights

Base unit plinth mood lighting

BUTLER'S PANTRY

An elegant storage solution

Our Butler's pantry is a gorgeous additional option. Highly customisable, it can contain a host of intelligent storage systems from cupboards with gliding shelves, to drawers and display cabinets, all available with LED lighting. Useful and beautifully designed when open, and seamlessly blending into your kitchen when closed.

OWNERSHIP

OWNERS DOCUMENTATION PACK

Your Owner's Documentation pack will be given to you by your Authorised dealership upon installation completion and serves to contain your Official Certificate of Authenticity and Care Guidelines as well as a space to store other documents, such as cooking appliance warranties and manuals.

CERTIFICATE OF AUTHENTICITY

Your Certificate Of Authenticity is an exclusive document given by your Authorised Kessler Dealership upon the completion of the Kessler kitchen installation, officially marking the lifetime warranty (see terms and conditions). This document contains a uniquely referenced 'K' number of your Kessler kitchen, holding the individual colours, finishes and final specifications of your kitchen, including any special Made-To-Measure elements to the project.

LIFETIME WARRANTY

A Kessler kitchen is a long term investment that will bring not only value to your property, but the intrinsic value of pleasure and luxury in your home that simply cannot be measured. To ensure confidence in your Kessler purchase, all Kessler manufactured products carry a Lifetime Warranty. It is this proud confidence and focus on our lasting and quality craftsmanship which draws the discerning client to Kessler over any other kitchen furniture manufacturer.

OUR SHOWROOMS

Kessler kitchens are supplied exclusively through two channels; our franchised, branded showrooms who provide our clients with the high level of service and care that they expect, plus a network of strategically-chosen independent kitchen retailers. Your Kessler designer has extensive knowledge of kitchen design, architecture and our brand. They'll work with you to curate the most exceptional kitchen that your home deserves.

LET'S BEGIN

To start your journey, contact our Concierge team with whom you can discuss your project and requirements. They'll recommend the best designer closest to you to meet your needs. From there, you can book a Virtual or physical showroom Appointment.

Please contact our Concierge team on **concierge@kessler.co.uk** or **01623 306011** and they'll be delighted to assist you.
